Hello,

Your application for Board approval to be a Supervisor for LPC and LMFT residents per current regulations has been approved and your name will be added to the supervisor registry.

Registry of Approved Supervisors

In accordance with § 54.1-3505(8), the Board of Counseling has posted a supervisor registry of licensees who meet the supervisory qualifications to supervise residents on http://www.dhp.virginia.gov/counseling/counseling_supervisors.htm. This list should only be used as a tool to assist with a potential resident applicant's search for a supervisor. Using a supervisor from this list does not guarantee that the potential resident applicant meets the requirements for residency, nor shall it be interpreted as board-approval to begin a residency.

Please note that the Board does not issues a supervisory credential or license. It is the responsibility of the resident applicant to ensure that the licensee (proposed supervisor) has an active, unrestricted license.

Please visit our website (www.dhp.virginia.gov/counseling) frequently for updates and/or changes that may affect you. Final regulations can be found at http://www.dhp.virginia.gov/counseling/counseling_laws_regs.htm. It is your responsibility ensure that your email address and current mailing address remains up-to-date by using the [online licensing system](#) or the name/address change form on our website.

Thank you,

Victoria Cunningham
